

Fabric cards for Father and Mother Day

Read all instructions before starting. Have fun, use bright colour fabrics. This is a great way to introduce children to the wonders of fabric, add buttons, ribbons, crystals to name just a few. Dig into your stash, it's amazing what you will find!

Supplies Required

Blank cards and matching envelopes from Michaels
.50m of Steam-a-seam™ Double sided fusible
Variety of fabric scraps
Iron
Teflon Pressing sheet
Paper scissors
Pencil
Micron Pen in black
and of course, your imagination!

Instructions

- Trace the applique templates onto the Seam-a-seam™. (please note, the templates will be in reverse once cut out)
- Remove the release paper and press the drawn templates onto the wrong side of the fabric.
- Cut along the drawn lines of the templates.
- Arrange them onto the front of the card. Once you have them arranged. Place the Teflon pressing sheet on top and press with a hot iron. Let cool.
- Using your black micron pen, outline the applique approximately ¼" away from the applique with dashed lines to represent stitch lines.
- Last, write Happy fathers/mothers day using the micron pen and don't forget to sign them! Write or print a father's or mother's sentiment on copy paper and cut and paste inside.

Have fun and don't forget to post pictures we would love to see them at [#afabricforeverystory](#).
