

Log Cabin Beauty  
 Finished Size: Approximately  
 67" square

Read all instructions before starting. Wash all fabrics, press fabrics using Best Press™. All seams are a scant ¼" (by Moving your needle position to the right by 2) unless otherwise specified. Stitch length is 2.0.

WOF: Width of Fabric  
 Unfinished blocks: should measure 8½" square

Difficulty:  Experienced

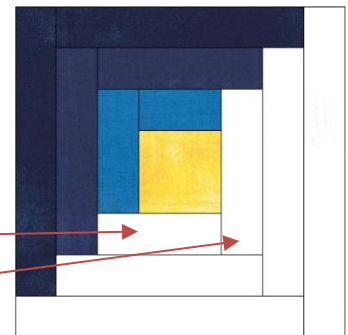

**Log Cabin Blocks (make 36 blocks).**

**Cutting Chart**

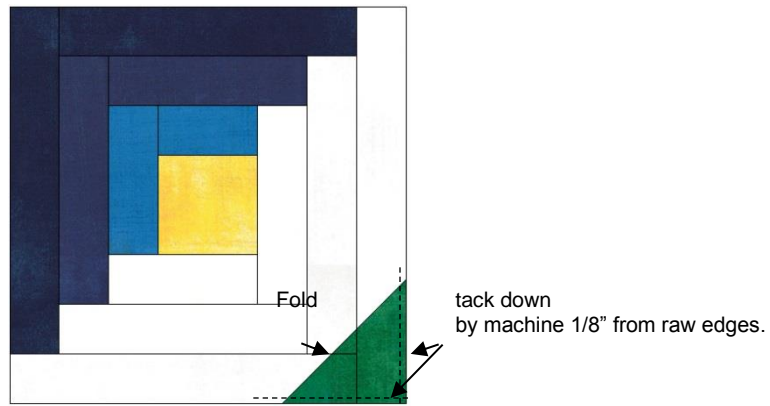

Fabric A	Dark Blue	Cut (2) 7-1/2" x WOF strips	Subcut into 36	7-1/2" x 1 1/2" rectangles		
		Cut (2) 6-1/2" x WOF strips	Subcut into 36	6-1/2" x 1-1/2" rectangles		
Fabric B	Medium Blue	Cut (2) 5-1/2" x WOF Strips	Subcut into 36	5-1/2: x 1-1/2" rectangles		
		Cut (2) 4-1/2" x WOF Strips	Subcut into 36	4-1/2" x 1-1/2" rectangles		
Fabric C	Light Blue	Cut (2) 3-1/2" x WOF Strips	Subcut into 36	3-1/2" x 1-1/2" rectangles		
		Cut (2) 2-1/2" x WOF Strips	Subcut into 36	2-1/2" x 1-1/2" rectangles		
Fabric D	White	Cut (2) 8-1/2" x WOF Strips	Subcut into 36	8-1/2" x 1-1/2" rectangles		
		Cut (2) 7-1/2" x WOF Strips	Subcut into 36	7-1/2" x 1-1/2" rectangles		
		Cut (2) 6-1/2" x WOF Strips	Subcut into 36	6-1/2" x 1-1/2" rectangles		
		Cut (2) 5-1/2" x WOF Strips	Subcut into 36	5-1/2" x 1-1/2" rectangles		
		Cut (2) 4-1/2" x WOF Strips	Subcut into 36	4-1/2" x 1-1/2" rectangles		
Fabric E	Green	Cut (2) 4-3/4" x WOF Strips	Subcut into 64	2-3/4" squares		
		Fabric F	Yellow	Cut (3) 2-1/2" x WOF Strips	Subcut into 36	2-1/2" squares

**Log Cabin Piecing – Using a scant ¼" and 2.0 stitch length**

- Sew Fabric C Light Blue (2½" x 1½") to the top of the Yellow square (Fabric F) Chain piece all at the same time. Set the seam and press to the dark. (Hint: I find finger pressing first helps)
- Sew Fabric C (3½" x 1½") to the left as shown. Chain piece, set the seams and press to the dark. Should measure 3½" square.
- Sew Fabric D White (3½" x 1½") next, as shown Set seam and press towards Fabric D
- Sew Fabric D White (4½" x 1½") next, as shown Set seam and press towards Fabric D
- Continue around the block referring to the block shown. To square up a log cabin you must do this throughout the construction (Hint: I square up each time at the mark 3½", 4½", 5½", 6½", 7½" and finally 8½")
- Next, fold Fabric E 2-3/4" squares in half on the diagonal. Be accurate in the folding and pressing.

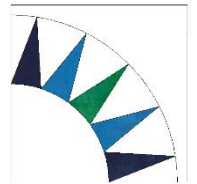

7. Place the folded Fabric E triangles that you made in step 6 in the bottom right hand corner of your log cabin blocks on the “white section” as shown. Tack into place using a 1/8” seam along the bottom and right edge. Press and set aside blocks.

### Beauty Blocks (make 28 blocks)

#### Cut List for Beauty Blocks

Fabric D rectangles	White	Cut (14) 4-3/4" x WOF	Sub-cut into 168	4-3/4" x 3 1/2"
		Cut (5) 6" x WOF	Sub-cut into 28	6" squares
		Cut (4) 11" x WOF	Sub-cut into 12	11" squares
		Cut (8) 1 1/2" x WOF		
Fabric A	Dk Blue	Cut (3 1/2) 4-3/4" x WOF	Sub-cut into 48	4-3/4" x 2-3/4" rectangles
Fabric C	Lt. Blue	Cut (3 1/2) 4-3/4" x WOF	Sub-cut into 48	4-3/4" x 2-3/4" rectangles
Fabric E	Green	Cut (2) 4-3/4" x WOF	Sub-cut into 24	4-3/4" x 2-3/4" rectangles

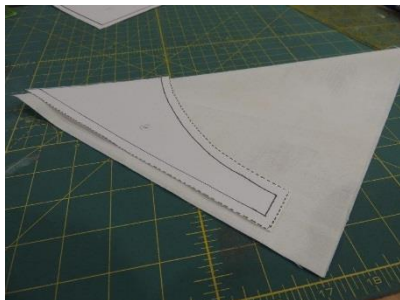

#### Step 1 – Template 1/4 circle arc

Cut out the 1/4 circle arc template and place it on the bottom corner of 6" x 6" white squares, pin into place and cut out. Make 28

#### Step 2 – Outer border blocks

Fold the 11" squares in half diagonally as shown. Cut out border template. Place the border template as shown and cut out. Turn the template over as shown, place it on the other side of fold square and cut out a second one. You will get to outer border arcs from one square.

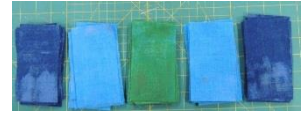

### Step 3 – Paper Piecing - crown

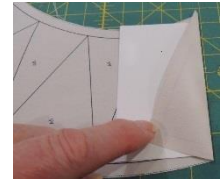

Cut out the arc and tape it together. Photocopy 28 copies making sure that your printer prints at 100%, no scaling.

**(hint: Printing on Carol Doak's Foundation Paper is much easier to remove)** Roughly cut the arcs out leaving approximately 1/8 inch around the dotted lines. I suggest, that you make 2 extra to practice on before starting your blocks.

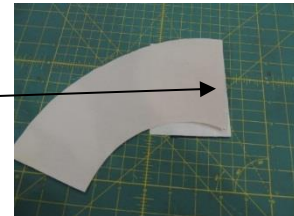

**Step 4** - layout your md. blue, green and dark blue with your white in order  
(just make sure the are all facing right side up)

(Hint: using a piece of thin pieces of card stock or a business card, place it along the stitchline and fold over as shown, this gives you a nice accurate fold)

a. Place 1 white rectangle right sides together with 1 dark rectangle.  
place the paper pieced pattern face down as shown with a 1/4" of fabric extended from the fold.

b. Flip the paper piecing pattern over and sew on the line between, 1 and 2. Start stitching with a backstitch from the solid line and stop with a backstitch on the solid line.

c. Flip it over and press. (Note: do not press on the printed side)  
d. Once you have pressed it open, fold back the paper and cut 1/4" away from the edge of the paper (Add-a-quarter™ ruler is great for this). Continue along the arc, always checking to make sure the fabric covers the triangle shape on the printed side. (Make 28)

e. Once the arcs are sewn, cut a fraction outside the outer edge of the dotted line on the paper.

f. Remove the paper as shown, gently so not to stretch the stitches.

### Step 5 – Beauty Block Assembly

a. Fold the paper pieced arc in half and finger press, fold the 1/4 circle in half and finger press.

b. Pin the arc to the inner circle matching the fold marks and the ends.  
**(Hint: using binder clips holds the arcs in place)**

c. Sew along the top edge using a 2.0m stitch length and 1/4" seam.  
Slowly sew the curve, stopping to readjust with the machine needle in the down position matching the edges as you go. (make 28) Press the Seam toward the arc.

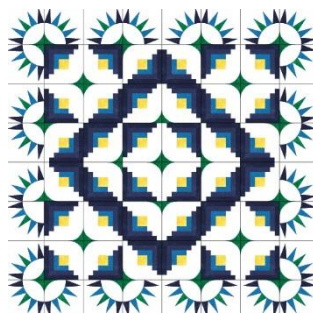

- d. Using the same method to sew the outer border block (template B) to the crown. Sew with template b on top of the paper pieced crown. Make 28 blocks. Blocks should measure 8½", if they are out, make sure you square them up to that measurement.

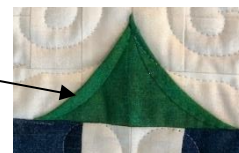

**Quilt top layout and piecing**

Layout the blocks and sew in rows

Sew the rows together, matching the seams.

Once the top is together, pull back the fold edges of the green half square triangles creating a curve and press. Stitch down along the curves using matching thread.

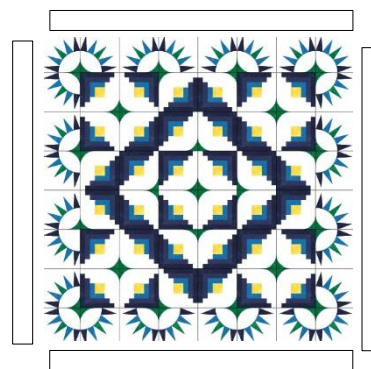

Once completed, cut (8) 1½" strips. Sew 2 strips together end to end. Make for sets. Sew the 1½" long strips on either side of the quilt. Trim, set seam and press.

Repeat for the top and bottom.

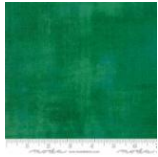

Your quilt is now ready for sandwiching and quilting.

Enjoy!

## Fabric Requirements

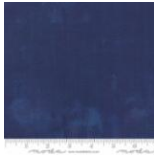

.70m Amazon  
530150-340

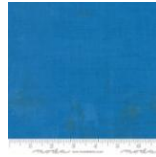

5.30m White Paper  
530150-101

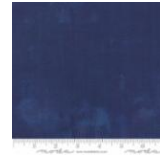

1.20m Navy  
530150-225

.70m Sapphire  
530150-221

.50m New Navy  
530150-302

.50m Sunflower  
530150-281

### Other supplies

- 1 Package of Carol Doak's Foundation Paper™
- Add-A-Quarter™ ruler 6"
- 1 piece of card stock or a business card
- Hobb's Heirloom 80/20 batting
- Clover Fork Pins
- Clover Wonder Clips™

# Unnamed
