SEWING OF QUILT TOP: Seam allowance is 1/4" (0,75 cm).

Join the half triangle squares in fabric A+C, A+D & A+E.
Start by drawing a diagonal line on back side of fabric A from left bottom corner to right top corner. Now sew on each side of this drawn line. Cut at drawn line and two squares are made, see sketch.

Now position these half triangle squares together with the squares in fabric A, also the big center square in fabric A, and in fabric B according to layout on page 3. Join the squares and the center piece is created.

Next join the small squares in fabric D, C, D & E for outer border according to layout on page 3. Join 12 strips like this. Join three of these strips twice and sew these strips on the left and right side of the center piece. Again join three strips and join a square in fabric B at each end twice. Join these strips to the top & bottom of the center piece.

The quilt top is created.
